Seneca IL 61360
(815)341-4396 or (815)258-5802

Do you have any questions in regards to your horses behavior, movements or your communications? We have the answers! Bring your horse or just come and observe, either way we will answer any riding or training questions you may have. All breeds and disciplines of horses are welcome. There will be two trainers covering many different areas.

Lisa Leach has been involved in horses for over 30 years. She has been professionally training for over 15 years and a horse show judge for twelve years. Lisa was one of the Midwest Mustang Challenge trainers in 2008. She holds judges cards for TWHEBA (all divisions), WFQHA, Illinois and Iowa open and 4-H shows. Lisa has been a riding instructor for 17 years. She is the Grundy County Horsebowl and Hippology coach and has been for the past twelve years. Lisa uses great patience and care when training horses and does not use "quick shortcuts". She will patiently explain what you and your horse can do to achieve the optimum results.

Emma Reel is graduate of SIU with a bachelor in Equine Science. She has been professionally training for five years. Emma is a natural trainer and has worked with many different horses with problem issues. She is excellent in communication skills with the rider and the horse. Emma understands horses with special needs and uses proper communication and patience to get results.

There is no limit for those auditing the clinic but there will be a limit of ten horse and rider participants so send those forms soon.

If you will be attending with your horse please fill out the form below and mail with registration fee before March 14, 2010. Please make checks payable to Coyote Junction.
